

Nursing Board Subcommittee Meeting Agenda

March 19, 2008

4:30 P.M.*

Indiana Government Center South – Conference Room W064

402 W. Washington Street

Indianapolis, IN 46204

The Indiana State Board of Nursing is conducting this combined meeting to organize nurses and community members interested in serving on one of the following subcommittees that will assist the Board by developing recommendations concerning:

1. Educational programs and requirements; and
2. Monitoring protocol for nurses with chronic pain management issues.

I. Education Subcommittee

- a. Identification of issue(s) to be addressed;
- b. Articulate broad goals for dealing with identified issue(s);
- c. Identify who will be participating in regular subcommittee work towards those goals;
- d. Establish a timeline for providing a recommendation to the full Board;
- e. Next Meeting: Determine location, date and time.

II. Monitoring Protocol for Nurses with Chronic Pain Subcommittee

- a. Identification of issue(s) to be addressed;
- b. Articulate broad goals for dealing with identified issue(s);
- c. Identify who will be participating in regular subcommittee work towards those goals;
- d. Establish a timeline for providing a recommendation to the full Board;
- e. Next Meeting: Determine location, date and time.

* Please be aware that the Indiana Government Center Campus locks the exterior doors at 5:30. Contact Sean Gorman at 317-234-1990 or segorman@pla.in.gov if you will need to arrive after 5:30.
